Clarity Water Technologies, LLC of Orangetown, NY is seeking a Water Treatment Service Head Mechanic to service customers in the NY Metropolitan area.

A Head Mechanic performs routine service to customers, but as Head Mechanic he/she is relied upon to do initial mechanical evaluations of systems, our most complex design and installation and repair jobs, and oversees small crews of techs and helpers in the field. The primary duties of our Head Mechanic are:

- Assembly and installation of specialized feed equipment including piping, PVC work, troubleshoot/repair.
- Installation of feed pumps, filter feeders, and other chemical dispensing/monitoring equipment associated with boilers & cooling towers, heating and cooling systems, closed loops. Includes occasional Installation of Water softener systems.
- Installation, piping, wiring, tubing, and troubleshooting of chemical controllers, associated with Water Treatment Industry equipment.
- Occasional Cooling Tower repairs, including scraping/grinding/handling of sheet metal, applying water proofing materials.
- Cooling Tower cleaning with power equipment and cleaning chemicals.
- Plate Frame Heat Exchanger cleaning and gasket repair/replacement when necessary.
- Occasional Duct Cleaning with Duct cleaning power equipment.
- Introducing and Feeding chemicals into feed systems. Chemical transfer to containment tanks. Water circulation for leak detection within necessary parameters. Testing of Conductivity, pH, Nitrite levels.
- Small repairs and replacement of PVC fittings, valves, site glass, etc.
- Job Site inspections for potential equipment placement and material needs.

Some of the prerequisites and requirements are:

- Advanced plumbing
- Basic electric
- Pro-press use
- Any boiler operator training/certification (i.e. black, blue, gold seals)
- Extensive knowledge of pumps and water systems
- NY 7G, NJ 8D applicator certifications preferred

87 Hunt Road • Orangeburg, NY 10962 • Ph: 888-616-3545 • E-Mail: accounting@claritywatertech.com

- OSHA certifications, NYC D.O.B. Site Safety Certifications preferred (assistance in obtaining any additional certifications will be provided)
- Must have a valid driver's license, and a clean driving record

The starting salary range is \$32 - \$40 per hour and is commensurate with experience. 5 years minimum of industry experience is required. Health, dental, and retirement benefits are part of the compensation package. Clarity Water Technologies, LLC is an Equal Opportunity employer.
