

87 Hunt Road • Orangeburg, NY 10962 • Ph: 888-616-3545 • E-Mail: accounting@claritywatertech.com

We are Clarity Water Technologies, specialists in comprehensive industrial and commercial water treatment that includes expert consulting and cutting-edge chemistry, as well as a full-service team to support facility needs. Whatever a facility's heating, cooling, potable or process application may be; our experts will have a water treatment solution!

Given your apparent skill set and work experience, we want to share with you a potential opportunity that may be a good fit for you. We are currently seeking a Service Technician for water treatment services in the Greater New York metropolitan area for Clarity Water Technologies, LLC. This entails performing general water treatment service, maintenance, and other mechanical services. A brief description of the available opening:

- Cooling Tower Cleanings
- Water Treatment - Boilers & Cooling Towers
- Cooling Tower Corrective actions – Disinfections
- Plate & Frame Heat Exch Cleanings
- Coil Condenser & Evaporator Cleanings
- Coil Unit Acid Cleanings
- HVAC & Ductwork Cleanings
- Food Grade Tank Cleanings
- Deliver and add Chemicals
- Routine maintenance

Some of the prerequisites and requirements are:

- Light plumbing
- Light electric
- Pro-press use
- Any water treatment/pesticide applicator certifications
- Warehouse/stockroom experience
- Any boiler operator training/certification
- OSHA Certifications, NYC D.O.B. Site Safety Certifications

Must have a valid driver's license

The starting salary range is \$38 - \$32 per hour and is commensurate with experience. 1-3 years minimum of industry experience is required. Health, dental, and retirement benefits are part of the compensation package. Clarity Water Technologies, LLC is an Equal Opportunity employer.
